

# *Kings County Housing Data*

*Bukola Adaramola  
Carolann Moore*

*So you want to sell  
your house?*

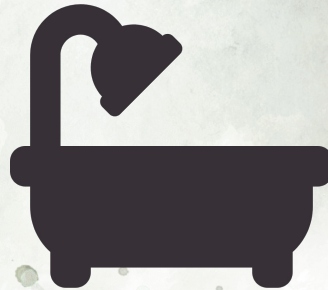

# [ Factors that impact the money you can make: ]

**Square footage  
of home**

**Bathrooms**

**House Grade**

**And how we can help!**

# [*Linear Regression*]

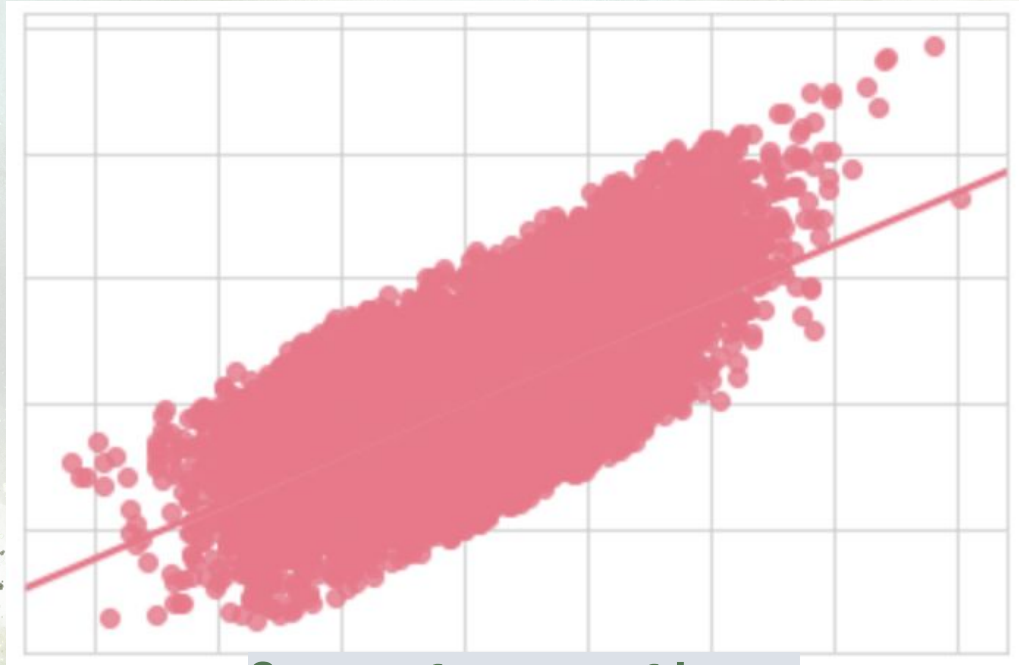

Basically:

We used math and graphs to formulate estimations of what your home would cost with different features! (Or lack thereof!)

# [*House Size*]

Price

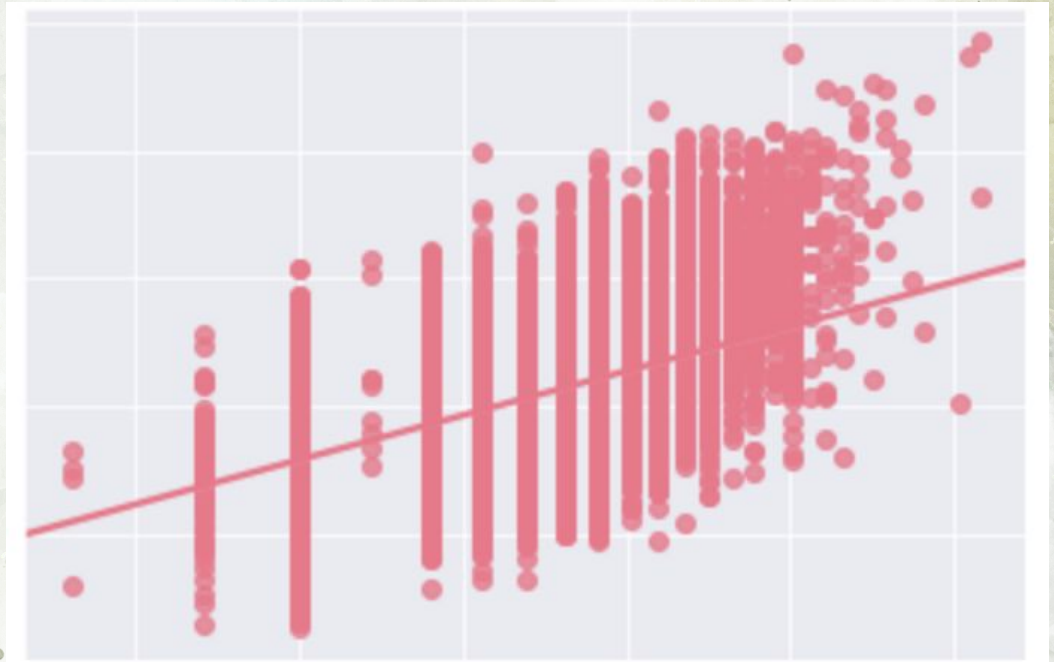

Square footage of home

# [Bathrooms]

Most Common: 2.5

Add one!  
Or two!

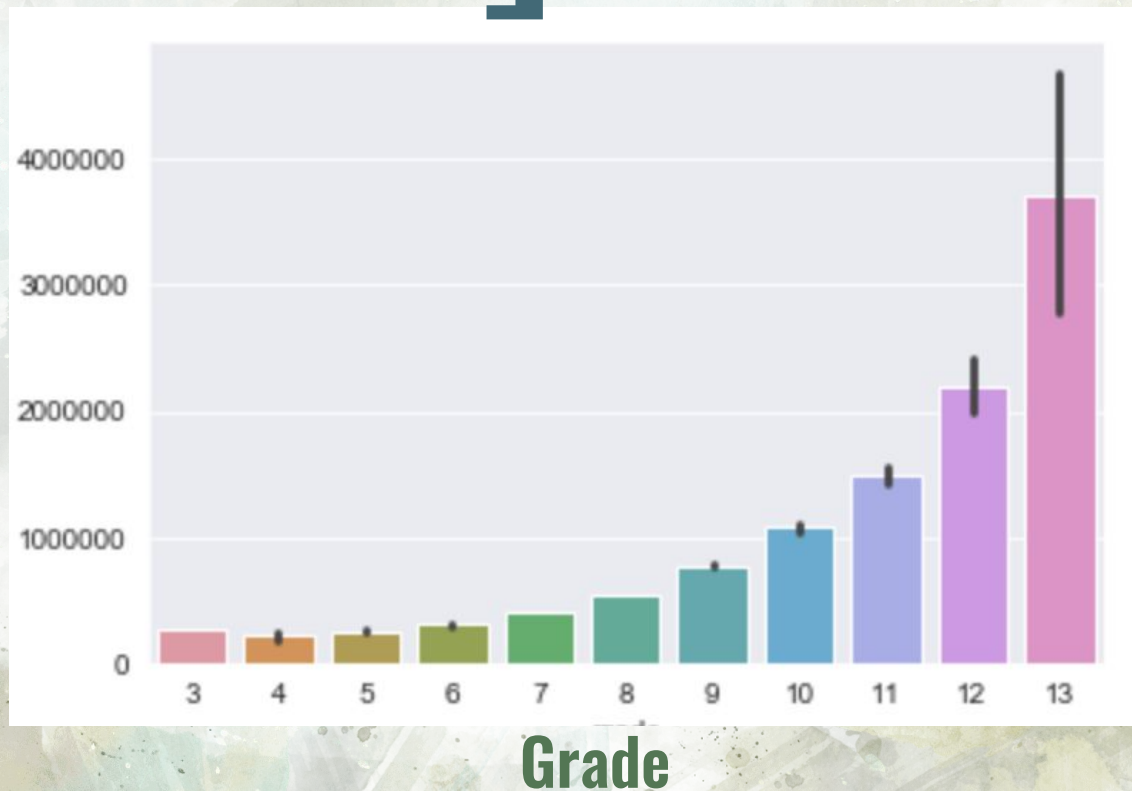

Price

Bathrooms

*Get graded!*

# *Additional Recommendations*

Add a bedroom!

Add a basement!

Convince your neighbors  
their homes need  
additions!

# [*Future Work*]
